## B. ENROLLMENT AND PERSISTENCE

### B1. Institutional Enrollment

Provide numbers of students for each of the following categories as of the institution's official fall reporting date or as of **October 15, 2023**.

1. Report students formally designated as "first professional" in the graduate counts.
2. If your institution collects and reports non-binary gender data, please use the "Another Gender" category.  
In cases where gender information is not provided, please distribute across the two binary categories.

For more information on how to report study abroad students, [please see NCES.GOV documentation](#).

## B2. Enrollment by Racial/Ethnic Category

Provide numbers of undergraduate students for each of the following categories as of the institution's official fall reporting date or as of **October 15, 2023**.

1. Include international students only in the category "Nonresidents."

2. Complete the "Total Undergraduates" column only if you cannot provide data for the first two columns.

3. Report as your institution reports to IPEDS: persons who are Hispanic should be reported only on the Hispanic line, not under any race, and persons who are non-Hispanic multi-racial should be reported only under "Two or more races."

4. New guidance from IPEDS for reporting aggregate data: "Racial/ethnic designations are requested only for United States citizens, residents, and other eligible non-citizens. Eligible non-citizens include all students who completed high school or a GED equivalency within the United States (including DACA and undocumented students) and who were not on an F-1 non-immigrant student visa at the time of high school graduation."

5. More information about other eligible (for financial aid purposes) non-citizens is available at <https://studentaid.gov/understandaid/eligibility/requirements/non-us-citizens>.

6. Nonresident – A person who is not a citizen or national of the United States and who is in this country on a student visa or temporary basis and does not have the right to remain indefinitely. Do not include DACA, undocumented, or other eligible noncitizens in this category. Nonresidents are to be reported separately, in the boxes provided, rather than included in any of the seven racial/ethnic categories or in race/ethnicity unknown.

## B4 - B21. Graduation Rates

The items in this section correspond to data elements collected by the IPEDS Web-based Data Collection System's Graduation Rate Survey (GRS).

[For complete instructions and definitions of data elements, see the IPEDS GRS Forms and Instructions for the 2023-2024 Survey. https://nces.ed.gov/ipeds/use-the-data/survey-components/9/graduation-rates](https://nces.ed.gov/ipeds/use-the-data/survey-components/9/graduation-rates)

In the following section for bachelor's or equivalent programs, please disaggregate the Fall 2016 and Fall 2017 cohorts (formerly CDS B4-B11) into four groups:

Recipients of a subsidized Stafford Loan who did not receive a Pell Grant

Students who did not receive either a Pell Grant or a subsidized Stafford Loan

Total (all students, regardless of Pell Grant or subsidized loan status)

*Students who received both a Federal Pell Grant and a subsidized Stafford Loan should be reported in the "Recipients of a Federal Pell Grant" column.*

### B22. Retention Rates

Report for the cohort of all full-time, first-time bachelor's (or equivalent) degree-seeking undergraduate students who entered in Fall 2022 (or the preceding summer term).

The initial cohort may be adjusted for students who departed for the following reasons:

- \*Death
- \*Permanent Disability
- \*Service in the armed forces
- \*Foreign aid service of the federal government
- \*Official church missions
- \*No other adjustments to the initial cohort should be made.

For the cohort of all full-time bachelor's (or equivalent) degree-seeking undergraduate students who entered your institution as first-year students in Fall 2022 (or the preceding summer term), what percentage was enrolled at your institution as of the date your institution calculates its official enrollment in Fall 2023.

Total students retained = students from the Fall 2022 cohort who are still enrolled as of Fall 2023 + students from Fall 2022 cohort who completed their bachelor's program as of Fall 2023

$(\text{Students from the Fall 2022 cohort still enrolled as of Fall 2023} + \text{Students from Fall 2022 cohort who completed their bachelor's program as of Fall 2023}) / (\text{Adjusted Fall 2022 cohort}) * 100$

Note: The number of first-time students seeking a bachelor's degree (or equivalent) who attain a bachelor's degree (or equivalent) by their second fall term is expected to be zero or very small. In exceptional cases when a first-time student does satisfy all degree requirements including full credit completion (e.g., typically 120 credit hours) and is awarded a bachelor's degree (or equivalent) by their second fall term, they are to be considered "retained" for EF reporting purposes.

## C. FIRST-TIME, FIRST-YEAR ADMISSION

### C1. Applications: First-time, First-year Students

Provide the number of degree-seeking, first-time, first-year students who applied, were admitted, and enrolled (full- or part-time) in 2023.

- Include early decision, early action, and students who began studies during summer in this cohort.
- Applicants should include only those students who fulfilled the requirements for consideration for admission (i.e., who completed actionable applications) and who have been notified of one of the following actions: admission, non-admission, placement or application withdrawn (by applicant or institution).
- Admitted applicants should include wait-listed students who were subsequently offered admission.
- Since the total may include students who did not provide gender data, the detail need not sum to the total.
- If your institution collects and reports non-binary gender data, please use the "Another Gender" category.
- Note that recent high school graduates and other students without prior postsecondary experience will still be considered "students" for fall enrollment reporting purposes even if they enrolled in the summer prior to fall enrollment.

### C9. First-time, first-year profile: National standardized test scores (SAT/ACT)

Provide information for **all enrolled, degree-seeking, full-time and part-time, first-time, first-year students** enrolled in **Fall 2023**, including students who began studies during summer, international students/nonresidents, and students admitted under special arrangements. **Report the percent and number of first-time, first-year students enrolled in Fall 2023 who submitted national standardized (SAT/ACT) test scores.**

1. Include information for ALL enrolled, degree-seeking, first-time, first-year students who submitted test scores.
2. Do not include partial test scores (e.g., mathematics scores but not critical reading for a category of students) or combine other standardized test results (such as TOEFL) in this item.
3. Do not convert SAT scores to ACT scores and vice versa.
4. If a student submitted multiple sets of scores for a single test, report this information according to how you use the data. *For example: If you consider the highest scores from either submission, use the highest combination of scores (e.g., verbal from one submission, math from the other). If you average the scores, use the average to report the scores.*

## H. FINANCIAL AID

Please refer to the following financial aid definitions when completing Section H.

**Awarded aid:** The dollar amounts offered to financial aid applicants.

**Financial aid applicant:** Any applicant who submits any one of the institutionally required financial aid applications/forms,

**Indebtedness:** Aggregate dollar amount borrowed through any loan program (federal, state, subsidized, unsubsidized, private loans) while the student was enrolled at an institution. Student loans co-signed by a parent are assumed to be the student's and should be included.

**Institutional scholarships and grants:** Endowed scholarships, annual gifts and tuition funded grants for which the institution is the recipient.

**Financial need:** As determined by your institution using the federal methodology and/or your institution's own standards.

**Need-based aid:** College-funded or college-administered award from institutional, state, federal, or other sources for which the student has financial need to qualify. This includes both institutional and non-institutional student aid (grants, jobs, and loans).

**Need-based scholarship or grant aid:** Scholarships and grants from institutional, state, federal, or other sources for which the student has financial need to qualify.

**Need-based self-help aid:** Loans and jobs from institutional, state, federal, or other sources for which a student must demonstrate financial need to qualify.

**Non-need-based scholarship or grant aid:** Scholarships and grants, gifts, or merit-based aid from institutional, state, federal, or other sources (including unrestricted funds or gifts and endowment income) awarded solely on the basis of academic achievement or other non-need-based reason. When reporting questions H1 and H2, non-need-based aid that is used to meet financial need should be reported as need-based aid.

**Note: Suggested order of precedence for counting non-need money as need-based:**

1. Non-need institutional grants
2. Non-need tuition waivers
3. Non-need athletic awards
4. Non-need federal grants
5. Non-need state grants
6. Non-need outside grants
7. Non-need student loans
8. Non-need parent loans
9. Non-need work

**Non-need-based self-help aid:** Loans and jobs from institutional, state, or other sources for which a student need not demonstrate financial need to qualify.

**Private student loans:** A nonfederal loan made by a lender such as a bank, credit union or private lender used to pay for the student's cost of education, less any financial aid received.

**External scholarships and grants:** Scholarships and grants received from outside (private) sources that students bring with them to the institution (e.g., Kiwanis, National Merit scholarships). The institution may process paperwork to receive the dollars, but it has no role in determining the recipient or the dollar amount awarded.

**Work study and employment:** Federal and state work study aid, and any employment packaged by your institution in financial aid.

### H1. Aid Awarded to Enrolled Undergraduates

Enter total dollar amounts awarded to enrolled full-time and less than full-time degree-seeking undergraduates (using the reported in CDS Question B1, “total degree-seeking” undergraduates) in the following categories.

If the data being reported are final figures for the 2022-2023 academic year, use the 2022-2023 academic year's C Cohort.

Include aid awarded to international students (i.e., those not qualifying for federal aid).

Aid that is non-need-based but that was used to meet need should be reported in the need-based aid column.

For a suggested order of precedence in assigning categories of aid to cover need, see the entry for “non-need-based grant aid” on the last page of the definitions section.

**Do NOT include any aid related to the CARES Act or unique to the COVID-19 pandemic.**

Indicate the academic year for which data are reported for **items H1, H2, H2A, and H6** below:

Provide the number and percent of students in class (defined in H4 above) borrowing from federal, non-federal, and any lo the average (or mean) amount borrowed in the table below.

The "average per-undergraduate-borrower cumulative principal borrowed" is designed to provide better informat borrowing from federal and nonfederal (institutional, state, commercial) sources.

The numbers, percentages, and averages for each row should be based only on the loan source specific for the pa example, the federal loans average (Row B) should only be the cumulative average of federal loans and the private (Row E) should only the cumulative average of private loans.

Source/Type of Loan	Number in the class (defined in H4 above) who borrowed from the types of loans specific in the first column	Percent of the class (defined above) who borrowed from the types of loans specified in the first column (nearest 1%)

### H6. Aid to Undergraduate Degree-Seeking Nonresidents

Report numbers and dollar amounts for the same academic year as checked in item H1.

**H1 Response:** 2022-2023 Final

Indicate your institution's policy regarding institutional scholarship and grant aid for undergraduate degree-seeking nonresidents:

- Institutional need-based scholarship or grant aid is available
- Institutional non-need-based scholarship or grant aid is available
- Institutional scholarship and grant aid is not available

If institutional financial aid is available for undergraduate degree-seeking nonresidents, provide the number of undergraduate degree-seeking nonresidents who were awarded need-based or non-need-based aid:

# I. INSTRUCTIONAL FACULTY AND CLASS SIZE

## I1. Instructional Faculty by Category

Please report the number of instructional faculty members in each category for Fall 2023. Include faculty who are on your institution's payroll on the census date your institution uses for IPEDS/AAUP.

The following definition of full-time instructional faculty is used by the American Association of University Professors (AAUP) in its Faculty Compensation Survey (the part-time definitions are not used by AAUP). Instructional Faculty is defined as those members of instructional-research staff whose major regular assignment is instruction, including those with released time for research. Use the table below to determine inclusions and exclusions:

	Full-Time	Part-Time
A. Instructional faculty in preclinical and clinical medicine, faculty who are not paid (e.g., those who donate their services or are in the military), or research-only faculty, post-doctoral fellows, or pre-doctoral fellows	Exclude	Include only one or more credit courses
B. Administrative officers with titles such as dean of students, librarian, registrar, coach, and the like, even though they may devote part of their time to classroom instruction and may have faculty status	Exclude	Include only one or more credit courses
C. Other administrators/staff who teach one or more non-clinical credit courses even though they do not have faculty status	Exclude	Include
D. Undergraduate or graduate students who assist in the instruction of courses, but have titles such as teaching assistant, teaching fellow, and the like	Exclude	Exclude
E. Faculty on sabbatical or leave with pay	Include	Exclude
F. Faculty on leave without pay	Exclude	Exclude
G. Replacement faculty for faculty on sabbatical leave or leave with pay	Exclude	Include

**Full-time instructional faculty:** faculty employed on a full-time basis for instruction (including those with released time for research).

**Part-time instructional faculty:** Adjuncts and other instructors being paid solely for part-time classroom instruction. Also include faculty teaching less than two semesters, three quarters, two trimesters, or two four-month sessions. Employees who are not full-time instruction faculty but who teach one or more non-clinical credit courses may be counted as part-time faculty.

**Minority faculty :** includes faculty who designate themselves as Black, non-Hispanic; American Indian or Alaska Native; Asian, Native Hawaiian or other Pacific Islander, or Hispanic.

**Doctorate:** includes such degrees as Doctor of Philosophy, Doctor of Education, Doctor of Juridical Science, and Doctor of Public Administration in any field such as arts, sciences, education, engineering, business, and public administration. Also includes terminal degrees formally designated as "first professional," including dentistry (DDS or DMD), medicine (MD), optometry (OD), osteopathic medicine (DO), pharmacy (DPharm or BPharm), podiatric medicine (DPM), veterinary medicine (DVM), chiropractic (DC or DCM), or law (JD).

**Terminal master's degree:** a master's degree that is considered the highest degree in a field: example, M. Arch (in architecture) (master of fine arts in art or theater).

	Full-Time	Part-Time	Total
A. Total number of instructional faculty	3752	584	4336
B. Total number who are members of minority groups	820	83	903
C. Total number who are women	1501	206	1707
D. Total number who are men	2251	378	2629

E. Total number who are international (non-residents)	609	63	672
F. Total number with doctorate, or other terminal degrees	2497	255	2752
G. Total number whose highest degree is a master's degree but not a terminal master's	450	78	528
H. Total number whose highest degree is a bachelor's	157	21	178
I. Total number whose highest degree is unknown or other	648	230	878
J. Total number in stand-alone graduate/professional programs in which faculty teach virtually only graduate-level students	546	250	796

**NOTE: Rows F, G, H and I should equal row A.**

## I2. Student to Faculty Ratio

Report the Fall 2023 ratio of full-time equivalent students (full-time plus 1/3 part time) to full-time equivalent instructional faculty plus 1/3 part time). In the ratio calculations, exclude both faculty and students in stand-alone graduate or professional programs: medicine, law, veterinary, dentistry, social work, business, or public health in which faculty teach virtually only graduate level students.

Do not count undergraduate or graduate student teaching assistants as faculty.

Ratio is based on number of faculty:

### 13. Undergraduate Class Size

In the table below, please report information about the size of classes and class sections offered in the Fall 2023 term.

**Class Sections:** A class section is an organized course offered for credit, identified by discipline and number, meeting at a stated times in a classroom or similar setting, and not a subsection such as a laboratory or discussion session. Undergraduate class section defined as any sections in which at least one degree-seeking undergraduate student is enrolled for credit. Exclude distance learning and noncredit classes and individual instruction such as dissertation or thesis research, music instruction, or one-to-one reading; students in independent study, co-operative programs, internships, foreign language taped tutor sessions, practicums, and all self one-on-one classes. Each class section should be counted only once and should not be duplicated because of course catalog cross-

**Class Subsections:** A class subsection includes any subsection of a course, such as laboratory, recitation, and discussion subsections supplementary in nature and are scheduled to meet separately from the lecture portion of the course. Undergraduate subsections defined as any subsections of courses in which degree-seeking undergraduate students enrolled for credit. As above, exclude noncredit classes and individual instruction such as dissertation or thesis research, music instruction, or one-to-one readings. Each class subsection should be counted only once and should not be duplicated because of cross-listings.

Using the above definitions, please report for each of the following class-size intervals the number of class sections and class subsections offered in Fall 2023. For example, a lecture class with 800 students who met at another time in 40 separate labs with 20 students counted once in the "100+" column in the class section column and 40 times under the "20-29" column of the class subsections.

**J. DISCIPLINARY AREAS of DEGREES CONFERRED**

**Degrees conferred between July 1, 2022 and June 30, 2023.**

For each of the following discipline areas, provide the percentage of diplomas/certificates, associate, and bachelor's degrees conferred. To determine the percentage, use majors, not headcount (e.g., students with one degree but a double major will be represented once). Calculate the percentage from your institution's IPEDS Completions by using the sum of 1<sup>st</sup> and 2<sup>nd</sup> majors for each CIP code as the numerator and the sum of the Grand Total by 1st Majors and the Grand Total by 2<sup>nd</sup> major as the denominator. If you prefer, you may compute the percentages using 1<sup>st</sup> majors only.
